384 CUL 2000

A contemporary bandstand for the De La Warr Pavilion designed by Mendelsohn and Chemayeff in 1935, its design reflects the involvement of local children and a craftsman. The wings of the plywood and fibreglass canopy help project the sound forward.

Faith House

Holton Lee Centre for Disability in the Arts, Dorset BH16 6IN
Tel +44 1202 625 562

385 REL 2002

A non-denominational building to encourage reflection and contemplation, the Faith House is situated at the highest point of the Holton Lee estate and, with its simple post and lintel tectonic, has been likened to a Greek temple. Inside are a quiet room, glazed lobby, toilets, assembly room and sun porch.
